Vera Mae,

Please convey our appreciation to the members of LINCOLN GEM & MINERAL CLUB for the \$50.00 [check #04950] donation for the AFMS Scholarship Foundation.

Club members may be interested to know that this donation increases your participation level from 2500% to 2600% with a balance of \$26.85 toward 2700%.
(each 100% indicates \$1.00 per member cumulative donations)

The MWF committee was very pleased to select Robert Swanson, Director of the USGS Nebraska Water Science Center, as our MWF 2013 Scholarship Honoree. The students he chose to receive scholarships - Rebecca Puta and Jason Alexander - have very strong resumes and exhibit clear intentions to work as geologists - a primary requirement for this Grant and they are U.S. citizens, a recent addition to the qualifications. (Each receive a \$4,000 grant.)

Your donation helps to fund future grants.

On behalf of the MWF Scholarship Committee, the AFMS Scholarship Foundation and the recipients of the Scholarships, thank you this generous donation. Continued support will add to the Fund's principle hopefully increasing the amount that can be given in the future.

Sincerely,

Marge Collins

*As an aside, MWF does not have a separate Scholarship Fund. We participate with 6 other Regions in the AFMS Foundation. However, as noted, MWF does select our "Honoree" & the students are enrolled in a Midwest college or University.
Your donation from Show profits is greatly appreciated!
