June 16, 2005

Dear Sirs,

I would like to know if there are any places in Lincoln to buy saws, tumblers, or rocks.

Are there many feild trips planned with your group?

Please send any information that you may have

Thanks.

Sincerely yours
DeWayne Whitmer

JUNE 19, 2005

DeWayne Whitmer
1004 Elm Court
Plattsmouth, NE 68048

Dear Mr. Whitmer,

We received your card dated June 16th requesting some information concerning lapidary equipment and field trips.

On July 17, 2005 from 1 PM to 4 PM, we will be hosting a "Grinding Party" at the Nature Center in Pioneer Park here in Lincoln, NE. (3201 So. Coddington). It consists of demonstrations on different types of rock cutting & polishing machines, tumblers, etc. Also, there is usually someone there who can help you identify rock, minerals, etc.

Also, a President's field trip is planned to Crawford, NE. for July 2,3, and 4. We plan to travel on July 1 and return on July 5; as travel will take about ten hours from Lincoln.
You may call President James Marburger, (402)792-2348 (Hickman) for full details.

Also, as you requested, JJ&L ROCKS & MINERALS OF Hickman sell saws, tumblers, rocks, etc. You may reach them at either number: (402)792-2348 or (402)792-2337.

I sincerely hope this information will be helpful to you and wish you "Good Luck".

Sincerely,

Vera Lyman, LGMC

Lincoln NE 68504

Dear Komen Supporters,

I would like to thank you and your Lincoln Gem and Mineral Club, Inc. so much for your contribution of $25.00 to the Susan G. Komen Breast Cancer Foundation in memory of Evelyn M. Allen. Your support helps the Komen Foundation in its mission to eradicate breast cancer as a life threatening disease by advancing research, education, screening and treatment in the United States and abroad. A card acknowledging your thoughtful gesture has already been forwarded to Ms. Pamela Allen.

Since its inception in 1982, the Susan G. Komen Breast Cancer Foundation has made great strides in the fight against breast cancer. Through its Research Program, the Foundation has been a pioneer in funding groundbreaking breast cancer research, much of which has led to landmark discoveries in the quest to find a cure for and eventually prevent breast cancer. In addition to funding research, the Foundation works to increase breast cancer awareness and promote early detection through special events like the Komen Race For the Cure® Series. Proceeds from such events help fund community-based breast health education and breast cancer screening and treatment projects for the medically underserved.

Again, thank you for your assistance and your confidence in our efforts. The success of the Foundation is made possible through the very generous contributions of corporations, organizations and individuals like yourself. Because of you, we are one step closer to finding a cure.

Sincerely,

Susan Braun

Dear Mr. Smith,

In early March of 2003 you had inquired about a rock swap at our Show.

We did not have any Swapping at our Show; but our ANNUAL MID-WINTER SWAP is going to be held this month.
January 24, 2004 from 1:00 - 5:00 P.M.
Antelope Parke Shelter (in the Park)
30th and A Street (enter Park here on Memorial Drive)
There is a Park sign at this entrance on the south side of A Street.

We look forward to your visit. Thank you for your interest.

Sincerely,

Pat Akins, Jr.

Dear Sharee Johnson:

Above copy as used in the space Judy had left for it in our Sept. Pick & Shovel. She had to finish it up before your full page reached us and we were afraid it would not be legible if we tried to completely shrink it for the quarter page. Cost for your space is only $3.75 which you may send to our PO Box 5342, Lincoln, NE. 68505, Attention Treasurer.

My name is Phyllis Parks and I am the circulation person for the Pick & Shovel, 45 year member of the club. I also am very interested in rocks and wish I could attend your Show and Sale. I have taken the liberty of outlining the information about our advertising policy and our subscription price, at thie time, on the inside back cover of this bulletin.

Wishing you the best of success with your venture.

Sincerely,

LINCOLN GEM 7 MINERAL CLUB, INC.

ASHFALL CHAPTER

FRIENDS OF THE UNIVERSITY OF NEBRASKA STATE MUSEUM

AGENDA

Board of Directors General Membeship Meeting

Ashfall Chapter

September 28, 2003 4:3o P.M.

1. Call Meeting to Order
2. Approval of Minutes
3. Approval of Treasurer's Report
4. Annual Financial Report
* 5. Amend By-Laws
6. Approval of Budget for 2004
7. Election of Board of Directos
8. Season Summary by Supt. Otto
9. Plans for 2004
10. Installation of Officers
11. Reports by Individual Officers
12. Questions from Membership
13. Closing Comments by President-Elect
14. Adjourn

The Annual Meeting of the Ashfall Chapter of the Friends of the University Museum met on September 29, 2002 at 4:30 P.M. at the Ashfall Visitors Center.

The members attending are on the attached sign in sheet.

A motion was made by Willats, seconded by Rasmussen to approve the minutes of the previous annual meeting. Motion carried.

A motion was made by Curtis, seconded by Zimmer to approve the Treasurer's Report as submitted. Motion carried.

A motion was made by Rasmussen, seconded by Van Brocklin to accept the 2003 Budget as submitted. Total Budget set at $24,200. Motion carried.

Election of Officers

The slate of officers was presented to the members attending which was sent out with the notice of meeting to all members. A motion was made by Husbands, seconded by Zimmer that the nominations cease. Motion carried.

Season Summary

Supt. Otto reported that the total visitation for 2002 was at 19,200 which is down 14%. Not included in these figures are the 8 additional tours for the year end. A motion was made by Zimmer, seconded by Rasmussen to accept the summary as submitted. Motion carried.

Plans for 2003 included an addition to the Visitors Center.

All members on the slate of officers were unanimously elected. It was requested by Zimmer that we request a copy of a listing of all members of the Friends, Ashfall Chapter.

Closing comments were made by President Elect Sobotka.

The next regular meeting will be October 30, 2002, 7:00 P.M. at the Visitors Center.

Dr. Voorhies reported that Susan Norby, Foundation Museum Representative visited the park on Labor Day. She suggested that we work on becoming on the priority list .

A motion was made by D. Morrill, seconded by C. Morrill to send a letter to Mark Harris regarding our signs on I-80. Motion carried.

The meeting adjourned at 5:50. A lunch followed in the Visitors Center.

Diana Johnson

Article IX Officers

Section 1. Officers

The officers of The Ashfall Chapter shall be: 1. President; 2. President-Elect; 3. Secretary; 4. Treasurer.

Section 2. Duties

A. President: The President shall be the chief executive officer to The Ashfall Chapter; shall preside at meetings of The Ashfall Chapter, the Board of Directors and the Executive Committee; shall appoint all committee chairpersons; and shall be a non-voting member of all committees.

B. President-Elect: The President-Elect shall preside at all meetings in the absence of the President or in the event of President's inability or refusal to act; shall oversee all programs undertaken by The Ashfall Chapter; shall chair the budget committee, and shall succeed the President if the President is unable to complete his/her term of office.

C. Secretary: The Secretary shall attend all General Meetings, Board of Director Meetings, and Executive Committee Meetings and keep the minutes; shall handle the general correspondence of the Officers and Directors and The Ashfall Chapter; and perform all such duties as are incidental to the office.

D. Treasurer: The Treasurer shall be responsible for all funds of The Ashfall Chapter; shall keep a full and accurate account of receipts and expenditures; and shall make disbursements as directed by the Board of Directors. The Treasurer shall present a financial statement at each meeting of the Board of Directors, at the Annual Meeting, and at other times when requested by the Board of Directors. All bills shall be presented at meetings of the Board of Directors, recorded by the Secretary and promptly paid by the Treasurer. The Treasurer shall share responsibility for the preparation of the budget.

Section 3. Terms

A. President: The first year, a President shall be elected at the Annual Meeting; thereafter, the President-Elect shall succeed to the Presidency. The President shall serve a one-year term and shall not be eligible for re-election to President-elect for three years.

B. President-Elect: The President-Elect shall be elected at the Annual Meeting for a one-year term and then shall succeed to the Presidency.

C. All other Officers: All other officers shall be elected at the Annual Meeting for a one year term and shall be eligible for re-election.

D. All officers shall assume the responsibility of office upon election at the annual meeting.

E. Officers elected in 1990 will serve until the Annual Meeting of 1991.

Section 4. Vacancies

A vacancy in the office of the President of The Ashfall Chapter shall be assumed by the President-Elect of the Chapter. Vacancies among the remaining officers shall be filled by a majority vote of the Board of Directors from a slate submitted by the Nominating Committee. Persons so appointed shall serve until the expiration of the original term.

* Amendment to By-Law Article 9 Section 3A

We want to scratch from this the sentence: "and shall not be eligible for re-election to President for three years.

RE: Scholarship Recipient

Dear Dr. Smith,

Thanks for forwarding the application of Kimberly Jacobs for our consideration.

The Lincoln Gem & Mineral Club Board of Directors has unanimously approved her as the recipient for our Club Scholarship this year.

We would like to make the presentation at our May General Meeting. It is scheduled for MAY 22, 2003 at 7:00 P.M. at the Antelope Park Shelter House. (Thursday evening)

Enter the Park to the South near 31st & 'A' St.(Memorial Drive) Follow the street past the Auld Center to the east and it takes you to the Shelter House. (Same location as last year)

We also extend a special invitation to your spouse as well as the friend/spouse of Ms. Jacobs. We would appreciate a short presentation from Ms. Jacobs regarding her studies. (10-15 minutes). If any special equipment (screen, projector, etc) is needed for the presentation, please advise at least one week prior to Meeting.

We have a special Meeting planned with special refreshments and desserts.

Please call and let me know final details and comfirmation.

My phone # is (402) 464-6089 (8:00 am - 4:00 pm)

Sincerely,

Vera Lyman

Vera Lyman, Secretary
Lincoln Gem & Mineral Club, Inc.

DEPARTMENT OF GEOSCIENCES

"2003"
Recipient
Ms. Kimberly Jacobs
$500.00

March 27, 2003

Ms. Vera Lyman
420 N. 56th St.
Lincoln NE 68504

Dear Vera:

Enclosed is the research proposal by Ms. Kimberly Jacobs, the only proposal submitted this year for the Lincoln Gem & Mineral Club scholarship. Kim is an excellent student, and her proposed field project will take place in Nebraska. Even though she is the only applicant this year, I think she is an appropriate candidate for the award.

As I discussed with you on the phone, small numbers of applications are likely to be the norm for years to come unless we modify the perceptions about who does and does not qualify for the scholarship. The university is in the early stages of its march toward the "20/20 Vision" philosophy that underlies much of the recruiting and hiring strategy for UNL. "20/20" is a long term plan intended to make UNL one of the top 30 public comprehensive universities in the country, and with this vision comes increasing emphasis on research that knows no state boundaries. In the Geosciences, this recognizes that the whole world is our laboratory rather than the region we reside in. One result of this is that our graduate students are increasingly encouraged to do their thesis projects in far-flung places outside Nebraska. However, the feeling that local or regional research is preferred for the LGMC scholarship is now pervasive among our graduate students, so Kim's proposal is the only one that came in this time.

Your board may want to consider the ramifications of this 'new reality' as it regards future scholarship awards. Perhaps you might want to reconsider the undergraduate option and do like the Omaha club does, viz, make the scholarship available to an undergraduate of our choosing for our summer field course, but have that student give a presentation to the club later, after he/she has completed course. That way you will get to meet the student even though he/she was chosen for the award by the Department.

Please let me know how this turns out so I can inform Ms. Jacobs.

Sincerely yours,

Norman D. Smith
Professor and Chair

214 Bessey Hall / P.O. Box 880340 / Lincoln, NE 68588-0340 / (402) 472-2663 / FAX (402) 472-4917

University of Nebraska Lincoln

DEPARTMENT OF GEOSCIENCES

17 March 2003

I am writing to recommend Kimberly Jacobs for a summer fellowship. Kim came to Nebraska to study paleoecology and was specifically interested in opportunities to work regionally. Her plan to work on late-Pleistocene lacustrine sediments in the Niobrara River valley will allow her to combine diatom analysis and stratigraphy in the reconstruction of environmental history and will help her to develop experience in both field and laboratory methodology. The project she proposes to work on is an important one, because, as she states in her proposal, we know relatively little regarding environmental change in the Great Plains prior to the last glacial maximum, about 25,000 years ago. Her proposed research should provide a cornerstone in furthering our knowledge of late-Pleistocene environments in the Great Plains and the extent to which regional change is related to large-scale forcing factors.

Prior to starting her MS program here at Nebraska, Kim took an intensive 5-week course in diatom taxonomy and ecology at Iowa Lakeside Laboratory, so that she could hit the ground running when she arrived at Nebraska. She has already made significant progress in her research, by sampling a drill core that had been taken previously through the Cobb Lake lacustrine sequence and preparing the samples for diatom analysis. Since Christmas, she has started learning to identify the diatom species present in the samples and is now ready to start quantitative analysis. Based on this initial work, we know that diatoms are well preserved and that there is some level of stratigraphic change. Thus, clearly the proposed project is feasible. Kim is a curious individual and is self directed. She works well independently, but at the same time is good about asking questions about both conceptual issues and methodologies. She's willing to work hard and enjoys being outside. She has a good basic geology background and should be able to carry out the field work on her own, following some initial instruction. I expect that she will complete her MS research in a timely manner. She has my strong recommendation.

I have no extant funding for Kim's research – I view her work as an initial step in what I hope will become an ongoing collaborative project with Swinehart, Loope, and other students. The proposed grant would provide critical funds to enable her to carry out additional field work – data from more than a single section from this extensive deposit is clearly desirable. The field portion of the project also will allow her to improve her skills in mapping and stratigraphy.

Sherilyn C.Fritz

(402) 472-2663
FAX (402) 472-4917

The Lincoln Gem and Mineral Club
2003 Application for Research Scholarship

Name of applicant: Kimberly Jacobs

Address: 2910 Dudley St., #1
Lincoln, NE 68503

Candidate for which degree: M.S. Geology

Expected degree completion date: May, 2004

Project supervisor: Dr. Sheri Fritz

Project title: Paleoclimatic record of Pleistocene lacustrine sediments near Cody, Nebraska

South of Cody, Nebraska, the Niobrara River has exposed Pleistocene (30-40K yr BP) lacustrine (lake) sediments that lie within the Miocene Valentine and Ash Hollow Formations of the Ogallala Group and are overlain by Holocene eolian sand of the Nebraska Sand Hills. These lacustrine units reach a maximum thickness of 55 m and consist of fine-grained sediments, including diatomite and organic-rich clay. The size and dimensions of the lacustrine sediments indicate that there were at least two lake basins: an eastern Wobig Lake, approximately 20 km long, and a western Cobb Lake, approximately 4 km long. These lacustrine units have great potential to yield a hydrologic and climatic record of the central Great Plains for a time period that little is known about (Swinehart et al., 1996).

Lake hydrology and chemistry are directly related to the balance of hydrologic inputs (precipitation, stream inflow, surface runoff, groundwater inflow) and outputs (evaporation, stream outflow, groundwater recharge). Therefore, changes in the water budget caused by climate change, may alter lake level and chemistry and, consequently, affect the lake's biota, including diatoms. Diatoms are microscopic, unicellular algae with a silica cell wall (frustule), which often preserves well in sediments. Species of diatoms are identified based on the morphology of the frustule and often can be associated with differing lacustrine environments. In paleoclimate studies, diatoms are often used as paleosalinity indicators and to infer wet-dry cycles (Fritz et al, 1999).

I propose to use diatoms, preserved in Lake Cobb sediments, to develop a paleoclimatic reconstruction for the Great Plains Region for the period of 30,000 – 40,000 years BP. I have started this project by taking sediment samples from Core 24-A-02, which penetrated through the Cobb Lake units. I prepared these samples for diatom analysis and am now in the process of identifying diatom species assemblages to determine whether changes exist in species composition, which might suggest environmental change. However, more sampling and field study are necessary for completion of the project.

Funds granted to me, would be used for summer research and travel expenses to the Cody, Nebraska area. This includes gas and lodging, as well as field and lab supplies needed to complete diatom analysis. Field work will include measuring and sampling other stratigraphic sections within the Cobb Lake lacustrine unit to determine if different areas of the paleolake have the same diatom species composition as the cored section. This should allow for correlation among different sections of the laterally extensive lake.

Briefly outline your budget:

Transportation (750 mi round trip * 2)		$ 150
Camping/lodging (10 days)		$ 300
Food		$ 200
Field and Lab supplies (maps, bags, lab supplies)		$ 250
^{14} Carbon dating ($320 each)		$ 640
Cost of Living (Rent & Utilities–2 months)		$1000
	Total	$2640

Are other sources of funds available to support this project? If so, explain.

I have applied for the following additional funding:
Yatkola-Edwards Research Grant - $300 (with AAPG membership $600)
UNL Department of Geosciences Summer Graduate Fellowship – up to $2500
My advisor, Sheri Fritz, may also have additional summer funding should I need it.

Give a brief biographical sketch, including your accomplishments, present position, education, and relevant work and/or research experience.

I am originally from a small town in Northwest Minnesota, and I've always had a profound interest for geology. I attended North Dakota State University (NDSU) in Fargo, ND from August 1997 to December 2001, where I received my B.S. degree in geology. While I was at NDSU, I took a Quaternary biology class that focused on climate change and reconstructing Quaternary environments. I found this class to be very fascinating, and shortly after I decided to focus my interests on Quaternary research methods. While at NDSU, I was fortunate to assist with Quaternary entomology research, where I studied beetle remains preserved in various Holocene sediments. I was also privileged to work as a teaching assistant for introductory geology labs, as well as advanced mineralogy/petrology labs. This previous teaching experience aids me in my current position as a teaching assistant for introductory geology labs at UNL. Presently, I am working towards a M.S. degree in geology at UNL.

Your project supervisor/thesis advisor must be requested to provide a confidential letter of evaluation. The supervisor should send this letter directly to Dr. Tracy Frank, chair of the Scholarship and Awards Committee, Dept. of Geosciences, UNL, before *March 14, 2003*.

Applications must be submitted to Janelle Bird in the Dept. of Geosciences main office, 214 Bessey Hall, by *March 14, 2001*.

The value of the scholarship is $1000 and must be spent during the year 2003. Finalists will be informed by late March, and the winner will be announced in early April.

Dear Ms. Jacobs,

Congratulations on being chosen as the recipient for the Research Scholarship presented by the Lincoln Gem & Mineral Club, Inc.

Enclosed is a Check for $ 500.00 to aid in your research work.

Thank You for your fine presentation given at our Meeting (5/22) relating to your research.

Our "best wishes to you and your spouse" in your future endeavors from all of us in Lincoln Gem & Mineral Club.

Sincerely,

Vera Lyman

Dear Pete,

The Lincoln Gem & Mineral Club Members would like to extend our sincerest THANKS to you for all your help at Club activities, especially during Show Time! You were always there to haul supplies, etc. to the Show and also on return after Show closing.

You also put in special structures, etc. for proper storage of dispay cases and other supplies.

This was a great sacrifice of your time and many times days of vacation forfeited from your job to help us out. Your kindness is commendable.

Upon termination of our storage lease, you will be granted time to retreive special supplies you invested into proper storage.

Enclosed is a small token of our appreciation for your outstanding assistance in all our endeavors.

On behalf of all members, our best to you and Connie.

Sincerely,

Vera Lyman

Gretna, NE 68928

Dear Secretary-Treasurer of NAOESCI:

Enclosed please find a check from The Lincoln Gem and Mineral Club, Inc. in the amount of $49.00 to cover the cost of 14 subscriptions to **The Gem Palette for 2003.** A complete list of names and addresses of the subscribers is attached.

Our subscribers for 2002 did not receive the full 6 copies that were scheduled and we have not been able to locate any information regarding the current price for the 2003 subscription so collected the same $3.50 as we did last year. If there is any change please advise us and we will take care of any difference.

I am preparing my books for audit and have not found any acknowledgment for the checks mailed to NAOESCI in the past two years, including membership dues payments Gem Palette Subscriptions, the special donations that were forwarded to assist in the printing of a complete NAOESCI roster of clubs and club members, or the big check that was presented last May to NAOESCI for additional expenses incurred through the publishing of The Gem Palette. Can you provide me with a letter of acknowledgment?

I also would like to have a list of the current active clubs in NAOESCI and addresses for mailing materials to them. The last list that I have was given me by Donna Farlow when she was Secretary-Treasurer.

Thank you in advance for any assistance you can provide.

Sincerely.

Lincoln Gem & Mineral Club, Inc.

Re: Policy # 091BDD AJ5950

IMPORTANT NOTICE TO OBLIGEES/POLICYHOLDERS - TERRORISM RISK INSURANCE ACT OF 2002

You are hereby notified that, under the recently enacted Terrorism Risk Insurance Act of 2002, effective November 26, 2002, we must make terrorism coverage available in your policy/bond. However, the actual coverage provided by your policy/bond for acts of terrorism, as is true for all coverages, is limited by the terms, conditions, exclusions, limits, other provisions of your policy/bond, any endorsements to the policy/bond and generally applicable rules of law.

Any terrorism coverage provided by this policy/bond is partially reinsured by the United States of America under a formula established by Federal Law. Under this formula, the United States will pay 90% of covered terrorism losses exceeding a statutorily-established deductible paid by sureties/insurers until such time as insured losses under the program reach $100 billion. If that occurs, Congress will determine the procedures for, and the source of, any payments for losses in excess of $100 billion.

You will not be required to pay a premium for terrorism coverage at this time. If, upon renewal of your policy/bond, a premium is going to be charged for terrorism coverage, we will provide you with notification of what that premium will be.

If you have a policy which includes Workers Compensation coverage for employees located in the State of New York, you will be receiving an additional notification regarding a premium charge, if any, that applies to terrorism coverage.

Dear Rockhound Dealer:

Our 2003 Show Committee has decided to increase the size of our Hand-out Show Programs to include a few advertisers. Since each year we have several calls inquiring for addresses or phone numbers of one or more of our most recent show's Dealers, we are giving you first chance at the extra space. We are planning to reproduce business cards as near regular size as possible for a donation of $10.00 each.

We normally hand out about 1500 of these Programs to the people who attend our show.

If you wish to participate please mail one of your business cards with your check for $10.00 to the club, Att: Phyllis, at our Post Office Box 5342, Lincoln, NE 68506 before March 1st, 2003. We have not done this in the past so need time to get it all worked out. I do not have E Mail at this time so request all replies by 'snail mail.

No replies will be accepted after March 1st.

Yours Truly,

Lincoln, Nebraska 68501

Enclosed you will find our check in the amount of $700.00 as per contract for the use of customary space on March 29 and 30, 2003.

Our insurance coverage will be the same as in previous years and we will have a binder sent to you before the event.

Thank you for confirming the rates for our 2004 contract and for your efforts in preparing and confirming the dates for 2006 through 2009. We will be presenting these contracts to our general membership for approval at this next meeting and will return them with the check for deposit and the proper authorization.

If you have any questions please call me at 476-6798, or contact Vera Lyman, Secretary at 464-6089.

Sincerely,

Check # 3825
$ 700.00 01-27-2003

RE: Applicants for Scholarships
from LGMC

Dear Dr. Smith;

Please be advised this is in regard to our phone conversation regarding undergraduate recipients.

At our Club Meeting on January 25th, the membership decided to rescind a previous motion that was made. They would like to go back to presenting the scholarship to a graduate student. They did not like the idea of not knowing the particular student who was receiving the scholarship.

So, we would like for you to seek applications from students and then present the list of finalists to us which are chosen by the Dept. of Geosciences Scholarship and Awards Committee.

We would need the list of recommended applicants by April,1, 2003. This would allow our Board of Directors time to choose an applicant and then prepare to make the Award presentation at our May General Meeting on May 22, 2003. (Thursday Evening).

The only requirement we have would be for the recipient to make a 10-15 minute presentation for us regarding his/her studies. We are again looking forward to having you and your wife, and the recipient and spouse/friend attend.

If you have any questions, please feel free to call me at (402) 464-6089 anytime between 8 AM and 4 PM (Mon thru Fri).

Thanks for your recommendations and assistance in this matter. I'm looking forward to hearing from you.

Sincerely,

Vera Lyman

HOUSTON GEM & MINERAL SOCIETY
PRESIDENT, DAVID TEMPLE
10805 BROOKLET
HOUSTON, TX 77099

Dear President Temple,

The Lincoln Gem & Mineral Club of Lincoln, NE is looking into the possibilities of having their own Club House.

After reading the Backbender's Gazette, I thought perhaps you could give us some insight into our pursuit , since you have a Club House.

I have some questions concerning your Club which may give us some perspective. If you feel you do not wish to answer some of them, I will certainly understand, but would really appreciate your help.

First, how many members do you have in your Club?

Second, what type of Liability insurance do you carry and does it cover all Club Members? The cost of annual premium would also be helpful.

Who is responsible for opening the Club House for Meetings and other events?

Who is responsible for keeping it clean?

Do you charge a fee for using the Shop equipment? If not, how do you cover the expense of repair, replacement and up-keep?

Do you have someone in charge of and there to supervise the Shop when equipment is being used?

Do you lease the Club House to outsiders when it is not being used by any of the Club Members? If so, how do you base your fee and what is involved? Also, does your insurance cover outsiders, or do they have to provide proof of their own insurance?

I also noticed a fee for advertising rates, but did not notice any Ads in your bulletin. Does this apply to somewhere else?

What types of activities, besides Shows, and Dues, do you have to raise revenue for your Club?

Does your Club have non-profit status?

Any information you can provide would be very much appreciated and very helpful. We are only beginning in this venture.

Thank You so much for your prompt reply.

Sincerely,

Vera Lyman (402) 464-6089

Dear Phyllis:

We would like to take this opportunity to express our gratitude for your gift to the Lincoln Public Schools Foundation.

Your generosity touched many lives, as we are committed to supporting many programs including post-secondary scholarships, student emergency funds, enhancement funds for the arts and humanities, and creative approaches to teaching. Additionally, contributions, like yours, help us support curriculum advancement and many other programs that enrich the lives of our community through public education. Thank you

Your gift of $25.00 to the Lincoln Public Schools Foundation is hard at work through the Native American Fund. The Foundation has enrolled Paul Brauch in our Book of Honor.

We appreciate your gift, which shows your commitment to provide the margin of excellence for every child in the Lincoln Public Schools.

With gratitude,

Barbara

Barbara M. Bartle
Executive Director

P.S. Children are an investment in the future. Thank you for your investment.

Under IRS guidelines, the estimated value of the benefits you received, if any, in consideration for your gift is not substantial and will not affect the deductibility of your gift as a charitable contribution. Please retain this acknowledgement for federal income tax purposes.

Dear Todd,

This is in regard to the check which you sent to Lincoln Gem & Mineral Club for an indiscretion by one of your students during our annual Show in March at Pershing.

We would like to return the check for you to use for some special purpose during this Holicay Season.

I'm not sure of all the details, but it involved a small pair of silver and faux ruby stud earrings.

We are going to put the earrings on a silent auction at our annual function in Jan. 2003.

Please give me a call at your earliest convenience to discuss this matter. My phone number is (402) 464-6089. I'm available nearly every day from 8 A.M. - 4 P.M., Monday thru Friday.

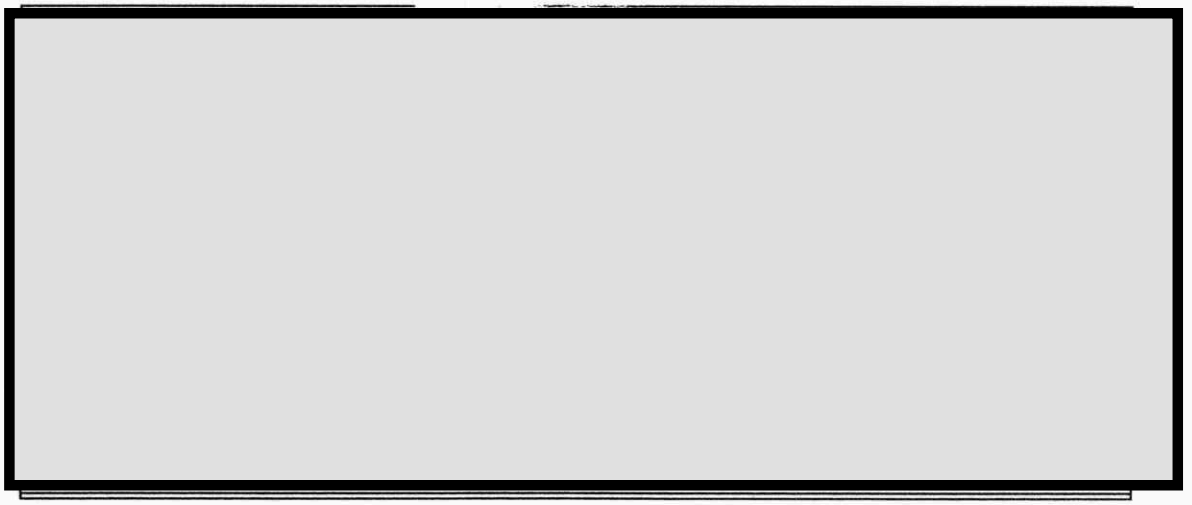

Thanks for your attention in this matter.

Respectfully,

Vera Lyman

November 6, 2002

Dear Kitty;

I received your letter and copy of "SO YOU THINK YOU KNOW ALL THE ANSWERS"! It will go into our Club Library, but for now I am going to hang on to it and use some of the puzzles for games at our meetings and also print some from time to time in our Club Bulletin, "The Pick & Shovel", as a challenge to see who can get the most correct answers and perhaps be rewarded with a "rock related" prize.

I also wanted to compliment you on your fantastic message in your first "President's Message. It certainly applies to our Club. People want to join but do not want to get involved.

If I could not be involved, I would no longer be a member; because I would feel no purpose in 'belonging'. Howard & Marie Taylor asked me to join the Club back in 1974 and I have been involved ever since.

Please keep up the good work!

Thanks so much for the "PUZZLE BOOK" and all your hard work. You are a great lady!. My best wishes for you always.

Yours respectfully,

Vera Mae Lyman

Vera Lyman

October 16, 2002

Good Morning,

I never throw anything away, and for years I have been accumulating bulletins from other clubs, some of them dating as far back as the 1960's. I have gone through several of them, and still have a BIG pile to go through.

As I was scanning these bulletins, I took out various puzzles, etc., put them in a box, with the thought in mind of someday putting together a booklet for clubs to use...enclosed you will find the end result.

Each club receives one (1) free copy. Additional copies may be ordered from our Director of Supplies for $4.00 each, which includes postage. Please send your orders to:

Director of Supplies
Eric Peterson
18114 L Drive South
Marshall, MI 49068

$4.00 which includes postage and handling

I hope you have as much fun playing these games, as some of the rest of us did years ago!!!

Enjoy,

Kitty Starbuck
Midwest Federation Editor

Dear Bingells,

It was certainly great hearing from you and it sounds like you are enjoying Arizona.

Sorry for the slow reply, but I was laid up with shoulder surgery (6-5) Rt arm - and just now able to take off the sling for non-strenuous tasks. I'm going to therapy and just doing fine - good as new very soon.

Also want to let you know that Jim Parks passed away on Memorial Day. It was a swift bout with cancer. He is certainly missed.

It seems that the Club members are all doing fine, in general. We all do miss your family and your help in the Club. The people out there will certainly gain from our loss.

Thanks for returning the Club stationary and copies of Show materials.

I will extend your message and wishes to the Club, along with your address.

Please keep in touch.

With fondest regards,

All LGMC Members

Dear Lincoln Gem & Mineral Club,

I wanted to return those items to you - just came across them re arranging book shelves. We miss the "Lincoln Club" and it's members. We had our first Gem & Mineral show here in the White Mountains of Arizona. Of course we volunteered for the "Kids Area". The group here is a little more "Wild" - not as friendly.

We hope everyone is well. There is a standing invitation to visit us here in North central Arizona. We've been out gold panning and out collecting Petrified wood. Lots more to learn.

Take Care everyone.

Dear Ms. Lyman,

Thank you for your donation of $25.00 in memory of Orma Paulson and Rachel Paulson. We have sent a card to notify the Paulson Family that you have made a gift.

Your contribution will be used to find new cures for children with cancer. Our team of experts, located at over 240 top medical institutions, work *together* to speed progress in fighting the many forms of childhood cancer. Their success has been tremendous, but still too many children lose their battles. We must not stop until there is hope for a cure for every child.

You are very thoughtful to honor the memory of this special soul with a gift that will help save the lives of others. On behalf of all the infants, children, teens and young adults who will someday live because of gifts like yours, please accept our sincere thanks.

Sincerely,

Rebecca C. Weaver

Mrs. Florence Lu
1931 Parkview
Fremont, NE 68

Dear Florence,

We are all very sorry you were unable to attend our General Meeting on May 23 at Antelope Shelter House.

It was an exciting and fun Meeting, as anticipated. The food and fellowship was great.

A number of awards were presented as well as our annual scholarship. Among them was one being presented to you; a Life Membership in Lincoln Gem & Mineral Club. The plan was to present it to you at our annual Show, but since you were unable to be present, we decided on our May Meeting.

So, not to delay the presentation any further, I'm mailing it to you along with a copy of Revised By-Laws, "2002" Who's Who, Membership card and check for membership dues previously paid.

Our Best Wishes to you and my Congratulations on behalf of the Club.

Other award presented during the eveing were: Rockhound of the Year (retroactive to many years past for all her outstanding service) to Marie Taylor.

Roger Pabian was awarded Lifetime Membership to NAOESCI, and also a beautiful plaque of appreciation for his excellent service.

Dr. Norman Smith introduced our Scholarship recipient, Paul D. Hanson. He gave an excellent presentation of his studies. He has a wife and small daughter. They were a very gracious family and sincerely appreciated the financial aid.

We hope you are well. Please keep in touch.

Sincerely,
Vera Lyman

NAOESCI PRESIDENT
Ben Vrana
705 "C" Street
Schuyler, NE 68661

Dear President Vrana;

Lincoln Gem & Mineral Club, Inc. hosted the State Show in conjunction with their Annual Show this March.

The Silent Auction was conducted during the hours of the Show. Normally, the State Association receives up to the first $ 200. of the proceeds from the Auction.

However, Lincoln Gem & Mineral Club wishes to donate the entire proceeds from the Auction to the State Association. We do wish to stipulate, however, that these funds be used solely for expenses for the publication of the Gem Palette. We feel this would benefit all members in the State Association.

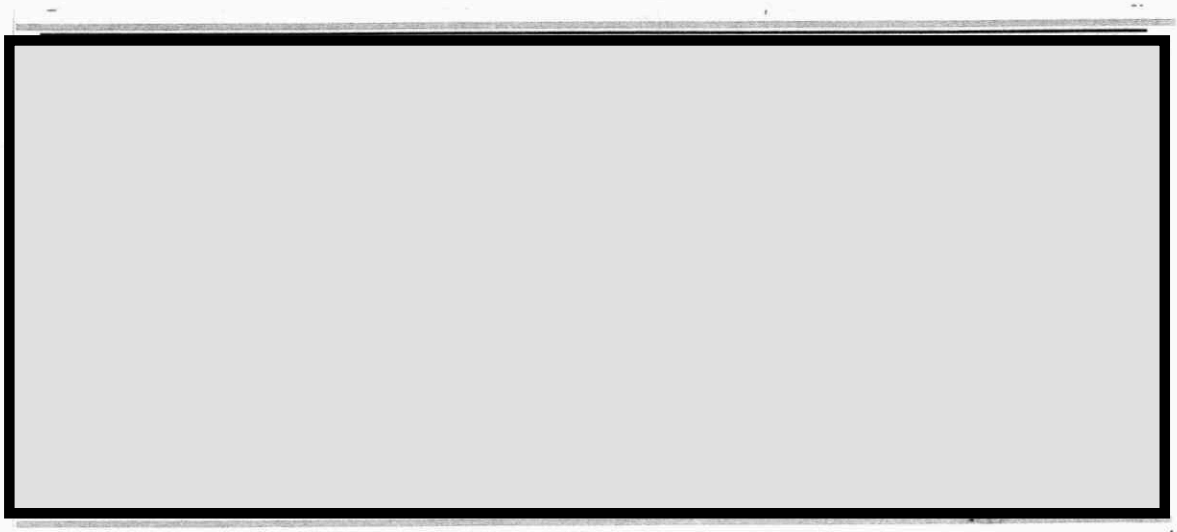

Roger Pabian, 2002 Show Chairman, is presenting you with a check for $ 538.55. Our Best to you and the State Association.

Thank You for permitting us to host the State Show in conjunction with our Show.

Sincerely,

Vera Lyman

Lincoln, NE 68510

Dear Mrs. Paulson;

It was great to see you once again when I stopped by to pick up the slabs of rocks. Your generosity to the Club is greatly appreciated.

We divided the rocks into two groups; some being used for door prizes and the remainder going to be put on "Silent Auction" sometime during a Club event, with the proceeds going to the Special Lapidary Class Fund. This is the class that Roger Pabian teaches and it will benefit many people.

Thank You for your donation; your generosity is greatly appreciated.

Sincerely,

Vera Lyman

NAOESCI PRESIDENT
Ben Vrana
705 "C" Street
Schuyler, NE 68661

Dear President Vrana;

Again, Spring is nearly here and Shows are beginning.

Of course, uppermost in our minds is our own 44th Annual Show, March 23 -24, in conjunction with the Nebraska State Show.

In light of this, we will be hosting the State Association Meeting on Saturday, March 23, at 1:00 P.M.

The four delegates from our own Club are:
Phyllis Parks, Pat Akins, Dave Heffelbower, Judy Reilly
The two alternates are:
Susan McMahan, Shirley Rockel

Please advise us as soon as possible who the delegates are from the other Clubs in the State. We need this information so we can present them with a "delegate ribbon" for free passage into the Show and Meeting.

Since time is of the essence, you may call and give me the information (402-464-6089) between 8:30 am and 11:00 am Monday thru Friday.

Thank You for your very prompt attention in this matter.

We are looking forward to seeing you at the Show.

Sincerely,

Vera Lyman

RE: Scholarship Recipient

Dear Dr. Smith,

First, Thanks for dropping by the applications of possible recipients in a timely manner.

The Lincoln Gem & Mineral Club Board of Directors has selected PAUL R. HANSON as the recipient of the Club Scholarship this year.

We would like to make the presentation at our May General Meeting. It is scheduled for MAY 23, 2002 at 7:00 P.M. at the Antelope Park Shelter House.

Enter the Park to the South near 31st & 'A' Street. Follow the street past the Auld Center to the east and it takes you to the Shelter House. -(Same location as last year)

We also extend a special invitation to your spouse as well as the friend/spouse of Mr. Hanson. We would appreciate a short presentation from Mr. Hanson regarding his studies. (10-15 minutes) If any special equipment (screen, projector, etc) is needed for the presentation, please advise at least one week prior to Meeting.

Lincoln Gem & Mineral Club and UNL Foundation will each present their own check to recipient; as per our discussion.

We have an exciting Meeting/Presentation planned with special refreshments and desserts.

I will be contacting you by phone to confirm any final details as the time approaches.

Sincerely,

Vera Lyman

Dear Dr. Smith;

Please find enclosed a copy of letter to UNL Foundation regarding closing of our account - - just for your information.

RE: The recipient we choose to present with scholarship - Would you prefer that we make out our own check directly to the recipient, or would you prefer that we make it out to the Geosciences Dept. and you present one check.

We would like to do what works best for you and the recipient.

When you furnish recipient information to me, you may advise me on this matter, or call me. You may reach me at 402-464-6089 any time between 8 am and 4 pm (Mon. thru Fri.)

Thanks for your input and assistance in this matter.

Sincerely,

Vera Lyman

RE: LGMC Account # 16140

Dear Pat;

For a number of years the Lincoln Gem & Mineral Club has awarded scholarships to students in the Geosciences at the University.

Until now, they have been presented through the UNL Foundation, with a deposit made in January annually and then presentation made several months later. Dr. Norman Smith has assisted us with this process the past several years as well as prior predecessors.

However, the Club Board of Directors voted to discontinue awarding through the Foundation and just present our own check to the student/s.

As per your phone conversation with our Treasurer, Phyllis Parks, (approx. 1½ wks ago), you had indicated a balance of $ 175.00 in our account at UNL Foundation.

We would like to have you close our account and the balance of $ 175.00 to be used in the Geosciences Dept. at the discretion of Dr. Norman Smith.

Our affiliation with the UNL Foundation has been an excellent experience.

THANK YOU for all your support in this matter and in years past.

Sincerely,

Vera Lyman

Dear Friends Member:

Thank you for your recent contribution to renew your membership with the Friends of the University of Nebraska State Museum. We are grateful for your continued support of the system that includes Morrill Hall, Ashfall and Trailside Museum.

The State Museum is looking forward to some exciting events during the year 2002. The opening of the refurbished Bison exhibit within the Hall of Nebraska Wildlife was just the beginning. This renovation is the second of three dioramas within the Hall which provide a hands-on learning experience for visitors.

Please take advantage of all of the special opportunities available to members of the Friends organization. Throughout the year, you will be invited to attend special exhibit openings, field trips, an open house at Nebraska Hall and other unique events to showcase the wonderful activities taking place at the State Museum.

Thanks again for renewing your membership with the Friends. Please contact Carol Farnham, President, for additional information about upcoming events and for more details on getting involved in the many activities available for Friends members.

Sincerely,

Mary Dupuis

Dear Secretary-Treasurer of NAOESCI:

Enclosed please find a check from The Lincoln Gem and Mineral Club, Inc. in the amount of $172.00, to be credited as follows:

$72.00 payment of club dues at !.00 per adult member based on Dec,. 31, 2001 count.
$100.00 as a donation from our club to assist in the publication of a new State Directory

We do not wish to participate in the State Insurance program as we have a policy that meets our needs and have had it for 20 or more years.

We seem not to have received the normal form in the mail or in our Gem Palette that serves as an application for membership in NAOESCI such as we have had in the past. If you have such a form available please forward to our Post Office Box 5342 and we will fill it out and return promptly.

We have a number of members that have paid subscriptions @$3.50 each and I will forward them as soon as our membership for 2002 is closed, with the complete addresses.

If you have any questions about LGMC Membership please feel free to call me.

Sincerely,

Lincoln Gem & Mineral Club, Inc.

Making a Difference for Life

January 15, 2002

Lincoln Gem & Mineral Club, Inc.
Vera Lyman, Secretary
P.O. Box 5342
Lincoln, NE 68505-0342

Dear Friend:

Happy New Year! Thank you so much for your donation of $500.00 on 12/31/01. A receipt has been included for your files.

Your gift was an answer to my prayers as scores of needy people come to us for urgent help during the Christmas season and year round. You have pushed us closer to our goal to raise $300,000.00 for the "Tree of Lights" Campaign!

Because of your heartfelt support -- and the generosity of our community -- we are able to provide **food** for hungry families, **warm clothing** to those who have none and **Toys** for children whose parents & grandparents cannot afford them. Funds raised above and beyond Christmas needs will be used to fund our ongoing year round programs which benefit local families in need.

You have demonstrated the true spirit of Christmas -- by helping bring happiness to the hearts of the needy in our community. I hope it warms your heart to know you have helped touch the life of someone in desperate need. Your heart of compassion is greatly appreciated.

May God bless you and your family in the year 2002!

Serving our Community,

Commanding Officer

C/O Jim Atkins Box 5342
Lincoln, NE 68505

Dear Friends,

We are so grateful for your generous gift of $1,000.00 in the wake of the terrible disaster of September 11.

Your gift will help the Red Cross provide support for people in need following this catastrophe as well as emerging human needs resulting from it.

More than 2,700 families have been given direct checks totaling $47.9 million to offset expenses for such things as mortgage and rent payments, food, clothing, utilities, transportation, funeral expenses, and related immediate needs. The gifts are available for the families of victims lost in the attacks on the World Trade Center and the Pentagon; families of rescue workers lost in the attacks; families of passengers lost in the plane crashes; and families of those who are lost due to the anthrax attack.

An additional $72.4 million has been spent to provide direct assistance to 22,000 families who lived or worked near the attack sites and were provided more than 10 million meals/snacks, temporary shelters, and rescue supplies for victims, their families, and emergency workers.

$12 million has been used for immediate blood readiness and the strategic blood reserve to offset the needs of victims going through hospitalization and recovery from their injuries.

Other Red Cross efforts have included armed forces services, assistance to families of internationals killed in the Trade Center and direct relief costs for $6.8 million.

The Red Cross was the first disaster relief agency to arrive on the scenes, providing the most extensive help to victims and their families of this horrific disaster and its consequences including anthrax deaths and other future uncertainties. One thing is certain: you can count on the Red Cross to give help for as long as it takes.

You have joined the entire nation in lending strength and help during a time of great need.

With heartfelt appreciation,

Randall S. Jones
Executive Director

Your gift was given without exchange of goods and services and is fully deductible as a charitable gift under the guidelines of the Internal Revenue Service. Please keep this letter as your receipt.

Winter 2001

Dear Friend:

Feasts and holy days were marked in red on medieval church calendars. Today any occasion for merriment or celebration is often referred to as a "red-letter day." April will be a red-letter month for the State Museum with a number of notable days.

An extraordinary selection of 45 paintings and 15 sculptures that capture the vitality of wild and domesticated animals will visit the Cooper Gallery in the State Museum from April 7th to May 25th. *Art and the Animal* is the 40th Annual Members Exhibition of the Society of Animal Artists, and it will be shown at only four venues in the U.S. A committee chaired by Steve Alvis, former President of the Friends, is planning events in association with this show. Please watch for additional information on this wonderful show.

The U.S. Postal Service is holding a first-day issue ceremony on April 19th for *Great Plains Prairie,* the third of in a series of educational stamp panes that depict North American ecosystems. This pane will portray characteristic plants and animals of the Great Plains and feature 10 stamps. Although final plans have not been made, the State Museum has offered to hold the ceremony, which would include the unveiling of the stamp-art and first-day cancellations, in Elephant Hall. The event will be coupled with

- A symposium on art, postal, and natural history of the Great Plains on April 19th.
- An exhibit and talk by renowned photographer Terry Evans entitled *In Place of Prairie* at 7:00 P.M. in the Center for Great Plains Study's gallery at Hewit Place.
- A nature outing at the Audubon Spring Creek Prairie on the morning of April 20th, and weather permitting a prairie burn of the prairie.
- A family day to celebrate the Great Plains and Earth Day in Morrill Hall, from 10:00 to 4:00 on April 21st.

For the family day, the Public Programs staff under the direction of Judy Diamond is planning an exciting day for children of all ages on the 21st. I know the staff would appreciate volunteers and assistance to work with children at the event and to spread the word. Please call 472-3779 with offers to help.

Our own Trish Freeman has been instrumental in bringing the first-day ceremony to Lincoln and UNL, and she is assisting in planning the event. By the time you receive this letter, a decision will have been made concerning the location of the first day ceremonies. Regardless, it will be an event to attend.

As you know, your Board has embarked on a strategic planning exercise and devoted considerable time, expense, and effort to complete the review and proposal. Many of the ideas will be discussed at the Annual Meeting of the Friends on the evening of January 26th. In addition, an exciting program on the mummies in our research collection is being planned. Watch for your invitation.

If you have not already done so, please renew your membership for 2001, or consider upgrading your level of membership. Your membership permits the Museum to create other red-letter days such as the Open House in Nebraska Hall, which was attended by over 700 visitors many of whom were delighted children.

Willo Stuart has joined the Museum as Staff Assistant. She and Sally Hawkins are the first-line of communication for Friends contacting the Museum. Please join me in welcoming Willo.

Best wishes,

James R. Estes
Director

July 18, 2000

Lincoln Gem and Mineral Club
Box 5342
Lincoln, NE 68505-0342

Dear Friends:

Because of our friendship with you, we want to share some very sad news. Our dear Lois passed away on June 30th after a 10-day stay in the hospital. She had been recuperating from heart surgery, which she had undergone three months before. On Wednesday, June 21st, she went out and walked 14 blocks. She was very proud of the fact that she was doing so well.

However, when she got home, she complained of a bad headache and the fact that her eyes were blurry. She was taken to the eye doctor who said it looked like she was having a mini-stroke. She was immediately put into Critical Care at St. Elizabeth's. It was determined that the Cumidin (sp?) she was on from the heart surgery had weakened the blood vessels in her brain, causing them to spring leaks. She was hemorrhaging inside her brain causing the spinal fluid to back up inside her skull.

A shunt was inserted into the right side of her head to drain out the fluid. By Friday morning she was unconscious and never woke up again. The shunt was removed when a blood clot formed and another shunt was put into the left side of her head. By Tuesday, the 27th, it was obvious she was not going to make it. As a family, we requested the doctor take the shunt out, since leaving it in only gave a 5% chance of survival and the brain damage would be irreversible. From her nose to her feet, she was in excellent health, but her brain was virtually dead.

Mom's and Dad's 58th anniversary was on June 29th. She lived through that day, as if somehow she knew how important that was for Dad. The next morning around 6:20 a.m. she passed peacefully into the presence of the Lord. A double rainbow the night before right outside her window was like a "welcome home" banner in the sky. At St. Elizabeth's, when a baby is born, *Braham's Lullaby* is played for all the hospital to hear. Shortly after Mom's death, twins were born. We heard the song twice – one leaves this earth, two enter it. Life goes on.

This has been without a doubt, the hardest thing our family has ever gone through. We relied on the Lord and on each other more than ever during that agonizing time. We did a lot of grieving during her illness, and will continue to do so for years to come. However, the Lord Jesus has been faithful and has seen us through this. He has given us a "peace that passes all understanding".

Mom's funeral was on Monday, July 3rd at 2:00 at Glad Tidings Assembly of God. The church was packed with people who came to say goodbye. It was a marvelous funeral, full of hope and celebration for the wonderful life lived for God. Much tribute was paid to Lois, and at her gravesite balloons were released into the sky signifying the wondrous fact that we'll see her again someday.

We covet your prayers. Dad especially needs people to pray for him. He's doing very well, but the days ahead will be lonely and difficult, especially at the holidays arrive. Thank you for remembering us to the Father.

Lois' family,

Irl, Janet, Nancy, Gary and families

August 18, 2002

Show

Same as Regular show. Host club generally extends show one day.

Convention

State Directors Meeting

A meeting place for a meeting that lasts one hour. Purpose of the meeting is for state directors to meet each other. Host Club furnishes coffee and refreshments.

Executive Council Meeting

A meeting place for a meeting that lasts 1/2 to a full day. Purpose of the meeting is for MWF Executive members to make their reports. The State Directors and Executive Council meeting can use the same meeting room. Host club furnishes coffee and refreshments. A dutch treat luncheon is arranged by host club. This meeting can be on or off site of the show.

Delegate Council Meeting

A meeting place for a meeting that lasts 1/2 to a full day. Purpose of the meeting is for Club Delegates to receive Executive Council reports and to conduct old or new business. Host club furnishes coffee and refreshments. A dutch treat luncheon is arranged by the host club.

Awards Banquet

The last night activities of the MWF Group is to hold an Awards Banquet. Editors get their awards, people that are to receive special recognition receive their awards and the MWF representatives to the AFMS Scholarship Fund receive their awards. Host club arranges a banquet place. Attendees pay for the dinner as arranged by the host club. A speaker is generally arranged by the host club.

Field Trips or Special Events

These activities are optional.

Judging of Competitive Exhibits

Host club furnishes exhibit forms and coordinates same with the MWF representative. Judging and awards are arranged by the MWF.

Funding

The MWF provides to the host club with $750.00 on awarding the Show and Convention with a provision that they receive 40% of the Show and Convention profits.

RE: 2008 MWF SHOW & CONVENTION

Dear Mr. Snepp;

The LINCOLN GEM & MINERAL CLUB, INC. of Lincoln, NE would like to make a formal request (or bid) to host the "2008" Show & Convention.

Our Club Delegate will be at the Show & Convention on Aug. 15-17, 2003, in Cottage Grove, MN to make the request in person and hopefully receive a positive reply.

It will be the 50th Show Year for Lincoln Gem & Mineral Club and decided it would be a very appropriate time to host the MWF SHOW.

Thanks for your consideration in this matter; and we are looking forward to a positive response.

Sincerely,

Vera Lyman

DEAR VEPA,

THANK YOU FOR YOUR LETTER OF 12 JAN 03 INDICATING YOUR DESIRE TO MAKE A BID TO HOST THE MWF CONVENTION IN 2008. I HAD PREVIOUSLY DISCUSSED THIS W/ MRS PHYLLIS PARKS BY PHONE. I AM ENCLOSING SOME BASIC MATERIAL TO ASSIST IN YOUR PLANNING. PLEASE CONTACT ME IF I CAN BE OF FURTER ASSISTANCE. I HOPE TO GET TO THE CRAWFORD AREA ABOUT JUNE 14 FOR SOME COLLECTING. THANKS AGAIN FOR YOUR INTEREST

BEST WISHES

NEIL D. SNEPP, CHAIR
MWF SHOW/CONV. ADVISORY COMM

REQUIREMENTS FOR A MIDWEST FEDERATION CONVENTION
Beyond those for a club show

A. MEETINGS

1. Executive Committee Meeting. Typically Friday morning, may go over into afternoon. Room set up for about 50 people, with a head table with 6 chairs, rest of chairs for attendees facing head table. Should have an electric plug for secretary's tape recorder, and American flag for Pledge of Allegiance. Coffee, tea, and baked goods are often served at the beginning.

2. Council Meeting. Saturday morning, possibly goes over into afternoon. Room set up for about 75 people, same requirements as above for head table, chairs, electricity and flag. Coffee, tea and baked goods often served at the beginning.

B. MEALS

1. Executive Committee Lunch, Friday noon. Attendance about 100 people. Can be buffet or service; tables can be set up in any fashion.

2. Delegates' Lunch, Saturday noon. Attendance 125-150 people. Can be buffet or service; tables can be set up in any convenient way.

3. Banquet, Saturday evening. Attendance 150-200 people (if room can only accomodate a limited number, say 150, this is noted in the advance publicity, that only a limited number are available). Of those available, tickets must be reserved for current and incoming officers and their spouses, and for scholarship honoree and recipients, if they are able to come. Head table should seat current officers and their spouses. Sometimes there is entertainment, but it is not required. Time must be left for the presentation of awards.

4. Editors' Breakfast, usually Sunday morning. Attendance about 75 people. Usually there is a head table. (If possible, this could be held earlier in the Convention, to allow winners to attend. Winners from far away, must head home Sunday morning to be at work on Monday.) — FLEXIBLE — RECENTLY AWARDS GIVEN @ BANQUET

C. PROGRAMS

1. Program Chairman of MWF may want to have a program planners seminar. Check with Program Chairman to see if so, and when.

2. Bulletin Aids Chairman of MWF may want to have a bulletin editors workshop; check with Chairman, if so, when.

D. HEADQUARTERS MOTEL

If the meals (see above) are in a motel, it is usually the motel listed as the headquarters motel. This does not need to be a fancy one, those attending the convention usually prefer that it not be too expensive. However, the choice is made by the Show Committee, and usually the motel will give special reates in order to get a large group of rooms rented over the weekend. Other nearby motels and campgrounds should be listed in the packet, with approximate price.

E. NOT NECESSARY, BUT NICE

Restaurants and churches in the immediate area. FIELD TRIPS ? BEFORE/AFTER

MWF MEAL ATTENDANCE

	2002	2001
EXEC COMM	31	35
SPEAKER BANQUET	75	NA
DELEGATE LUNCH	66	72
BANQUET	103	85

From MWF OP Manual

Section 4. ORDER OF BUSINESS: The order of business at all regular and special meetings of The Council and Executive Committee shall be:

a. Call to order.
b. Reading of the minutes of the previous meeting.
c. Treasurer's report.
d. Board of Directors' report (not required at Council meetings).
e. Reports of State Directors.
f. Reports of Permanent Committees.
g. Reports of Special Committees.
h. Communications.
i. Unfinished business.
j. New business.
k. Open forum.
l. Program (optional).
m. Adjournment

Section 5. QUORUM:

a. A quorum of the Council shall consist of representatives of ten percent (10%) of the adult member Societies of the Federation.

b. A quorum of the Executive Committee shall consist of fifteen (15) members, of whom three (3) must be members of the Board of Directors.

Section 6. PARLIAMENTARY AUTHORITY: Robert's Rules of Order, Revised, shall govern all proceedings of this Federation not specifically covered by the Articles of Incorporation and By-Laws of this Federation.

Section 7. CONVENTION:

a. A formal convention authorized by the Federation and sponsored by a host Society or association shall be held annually, preferably not earlier than May 1, nor later than October 15, except that every third (3) year a field trip may be held in lieu of the formal convention. The formal convention shall include educational earth science and lapidary exhibits and programs. The Federation shall take no part in local arrangements by the host Society or association except that the Federation shall be in charge of the judging of competitive displays and the trophies for the winners.

b. The Board of Directors may authorize a loan, if requested, of up to seven hundred and fifty dollars ($750.00) without interest, to any member Society for its use in producing an authorized convention. The Federation shall be responsible for fifty percent (50%) or seven hundred and fifty dollars ($750.00) of any loss, whichever is the smaller amount. The host Society shall receive seventy-five percent (75%) of any net profit and the Federation shall receive twenty-five percent (25%) of any net profit.

c. Any organization composed of Societies all of which are members of the Federation may act as host under the same conditions as govern a single host Society. (Such organization need not itself be a member of the Federation)

MIDWEST FEDERATION OF MINERALOGICAL & GEOLOGICAL SOCIETIES
COUNCIL MEETING
Saturday, AUGUST 16, 2003

The Midwest Federation's 63rd Annual Meeting will be held during its 2003 Show and Convention August 15-16, 2003 at the Cottage Grove National Guard Armory, 8180 Belden Blvd., Cottage Grove, Minnesota.

The MWF Council Meeting will convene on Saturday, August 16 at 9:30 AM, with delegate registrations beginning at 9:00 a.m. The delegate appointed by your club or society will represent your interests, and may bring up pertinent discussions and proposals. However, in order to expedite matters if your society intends to have its delegate present any special motion at the meeting, please notify the Midwest President, Kitty Starbuck and the Secretary, Donna Moore, as to the nature of the subject so that it may be placed on the agenda. This should be done at least one month prior to the meeting.

Each club is entitled to one vote. An alternate may vote in the absence of the delegate. Guests are invited but will not be able to vote.

Please fill out the form below and return it to the Credentials Chairman, (NOT TO THE SHOW REGISTRATION COMMITTEE) BEFORE JUNE 15, 2003. THANK YOU FOR YOUR PROMPT REPLY

HAS APPOINTED THE FOLLOWING DELEGATE TO THE 63rd ANNUAL MEETING OF THE MIDWEST FEDERATION.

DELEGATE PHYLLIS N. PARKS

ADDRESS 2435 SOUTH 19th STREET LINCOLN, NE 68502

ALTERNATE LINDA M. PARKS

ADDRESS 7700 HINTON AVE. SO. #8 COTTAGE GROVE, MN 55016

DATE 5-7-2003 **SIGNED** Jim Collins **CLUB PRESIDENT**

Motion Neil Snepp Bill Cook 2nd Unanimous

The Lincoln Gem & Mineral Club is eager to welcome the Midwest Federation of Mineralogical Societies back to Nebraska for a Rockin' Good Time in 2008!

This will be LGMC's 50th Gem & Mineral Show. We have reserved Pershing Auditorium in downtown Lincoln for the last weekend of April 2008 – Arbor Day.

A steering committee is already in place, so we can begin getting many interesting events scheduled for MWF from April 24th through 28th.

The Lincoln Gem & Mineral Club was founded by Irl Everett (Evy) in 1955. Our first show was held in 1959.

Two years later LGMC joined the Midwest Federation.

Since then, we have had the priviledge of hosting the MWF Centennial Rockarama in 1967, and two National shows in 1974 (A Mammoth Event) and 1980 (Kiss My Agate).

On behalf of the Lincoln Gem & Mineral Club, I respectfully request the honor of hosting the Midwest Federation show in 2008. Thank you.

MIDWEST FEDERATION OF MINERALOGICAL AND GEOLOGICAL SOCIETIES
2003 Convention & Show
Hosted by the Minnesota Mineral Club

August 18, 2003

Ms. Phyllis Parks
2435 S 19th Street
Lincoln, NE 68502

Dear Phyllis,

Thank you for helping the Minnesota Mineral Club celebrate "Great Lakes, Great Rocks...Land of 10,000 Lakers" at the Cottage Grove Armory and Community Center on August 15, 16, and 17. Your exhibit during our show was an added attraction for many of our attendees, including folks from across the Mid West.

Exhibits are an effective way to help new collectors understand the breath and depth of our hobby. Advanced collectors appreciate the opportunity to view exceptional specimens from other collections. We appreciate your time and effort in producing an exhibit to share your interests with them.

Thank you again for helping to make "Great Lakes, Great Rocks" a successful event. You helped us bring our mutual love of agates, rocks, fossils, archeology and meteorites to a larger audience, including many who had never attended a rock show before.

Sincerely,

Sandy Fuller

To: Executive Committee Members and Clubs
From: Donna Moore, Secretary

Enclosed is your ballot for the selection of officers for 2004. Please carefully consider your choices, mark your ballot and return it to Bob Beauvais making sure it is postmarked by September 30, 2003.

At the 2000 MWF Council Meeting in St. Louis, the following wording of MWF By-law Article VI, Section 3 was approved:

The nominating committee shall submit to the Secretary a single slate of candidates for the elected officers and a multiple slate of candidates for the vacancies of the Nominating Committee in time for publication in the May newsletter. Such candidates shall have been investigated as to their eligibility and their ability to fulfill the position required of them. They shall have signified willingness to accept the nomination and, if elected, to perform all duties as may be prescribed. Additional nominations may be made by petition signed by not less than 100 adults who collectively shall be members in good standing of at least 10% of adult member societies, such petition designating the office or position concerned and the name of the nominee(s) thereof. Such petition must be accompanied by the written permission of the nominee(s), and submitted to the Secretary before August First. The Secretary shall mail ballots as per Article VII, Section 1, before August 15. All ballots must be returned to the Credentials Committee postmarked on or before September 30th. The Credentials Committee shall report the ballot outcome to the Board of Directors.

If you are a member of the Executive Committee, and also listed as the person to receive MWF mailings for your club, please be sure the club copy gets to the right people! If anyone has questions, don't hesitate to call or e-mil me. If I don't know, I will find someone who does know.

Sincerely,

Donna

RE: 2008 MWF SHOW & CONVENTION

Dear Mr. Snepp;

The LINCOLN GEM & MINERAL CLUB, INC. of Lincoln, NE put in their bid to host the "2008 MWF Show & Convention". This was done at the 2003 Convention Meeting in Cottage Grove, MN.(Aug)

The motion was made by you, Mr. Snepp and seconded by Bill Cook to accept our bid and the vote was unanimous. At that time we had indicated that the Show would be held the last weekend of April, 2008. (April 26-28).

Due to conflicts with other Shows in the immediate area at that time, we have changed the dates to June 20-22, 2008.

We wanted to inform you of these changes so that future publications and information would be correct.

Thanks for your attention in this matter and for all your consideration. If you have any questions, please let me know.

Sincerely,

Vera Lyman

Dear Lincoln Gem and Mineral Club

This letter acknowledges your contribution for the amount of $10.00 for the MWF Endowment Fund.

Your club is now at 00% with a credit of $64.25 toward the next 100% based on membership reported in the 2004 MWF Directory.

Thank you for your generous contribution and continued support.

Sincerely Yours,

Judy Budnik
Secretary MWF Endowment Fund

RE: Contributions

Dear Pamela,

Discussion at our Board of Directors Meeting climaxed with the decision to contribute to the Endowment Fund.

We would like to begin with the "EVERY CLUB CHALLENGE CONTRIBUTION".

Enclosed you will find a check for $ 10.00 to meet this challenge.

We also plan to make further contributions in the future. This is just an idea, but perhaps the "Every Club Challenge" could become a yearly thing; and it certainly would not cause a burden to any Club.

Good Luck to you and the Midwest Federation in your endeavor.

Sincerely,

Vera Lyman

RE: THANK YOU
MEMORIAL

Dear Caroline,

Lincoln Gem & Mineral Club would like to THANK YOU AND YOUR FAMILY for the exemplary service you rendered to our Club during the entire time in which we rented storage facilities from you. We will certainly recommend your services to others.

If at any time in the future we would need storage services, we will be calling on you.

THANK YOU SINCERELY FOR YOUR KINDNESS OVER THE YEARS.

We also extend our sincerest sympathy on the loss of your mother. It is always difficult to lose a loved one, but even more so at Holiday time. You are in our thoughts and prayers.

Enclosed you will find a memorial in honor of your Mother.

We wish you and your family all the best, and hope to see you at our Shows.

Sincerely,

Vera Lyman

Food Bank
OF LINCOLN

The Mission *of the Food Bank of* Lincoln *is* to *Alleviate Hunger* in *Southeast Nebraska.*

Healthy Food for Children *Healthy Food for Famifies* *Healthy Food for Seniors & Veterans*

Lincoln Gem and Mineral Club
PO Box 64
Hickman, NE 68372

Dear Friends of the Food Bank,

Thanks for your gift of $50.00 on 9/7/2021 to the Food Bank of Lincoln. We are grateful.

Your gift will have a positive impact on the lives of neighbors in our service area. Your Food Bank's current priorities are: getting food to people, staff safety, volunteer safety and an eye on the future of the Food Bank. We are doing our best to meet the significant increase in need due to the pandemic and its aftereffects. More neighbors than ever across our 16-county service area are struggling. Thank you for joining us to alleviate hunger in Southeast Nebraska. Your support helps reduce a bit of stress and worry those folks feel when they open the fridge or cupboard.

This past fiscal year, we set another food distribution record, connecting neighbors to more than 13.2 million meals. It is a signal that the impact of the pandemic is far from over. Your compassion and generosity will help us continue to get more healthy food to more people than ever before.

The needs have increased. Our work is constantly changing. We are working hard to honor our priorities. You are making a difference in your community and across Southeast Nebraska.

We are grateful for your friendship and support and promise to put your gifts to good use.

With gratitude,

Michaella J. Kumke
