ACTIVITIES!

PRESIDENT'S & SHOW CHAIRMAN'S WELCOME

by Jayne Beer, President & Show Chairman

Welcome to the 2018 Lincoln Gem & Mineral Show. Whether this is your first time or you are a regular, we welcome you, and hope you have a wonderful time. We have some very fine dealers who will help you to find that perfect purchase, and demonstrators who can answer questions and perhaps inspire you. If you would like to further your interest in this hobby, visit our club booth where you can pick up an application to join our club. If you want to get down and dirty, there is a FREE gem and mineral dig (for the young and old) at the entrance of the show. Share your Gem Show experience with your friends and anyone else you meet. Word of mouth is the best advertising! We want to keep this hobby going strong and your enthusiasm will help us to not go the way of the dinosaur!

A big thanks to the Show Committee and club members for the many hours of planning and work, without which this Show would not be possible. Thanks, also, to the vendors, demonstrators, exhibitors, presenters, and those who donated items. We could not put on this great show without their help.

We hope you have a pleasant experience at the show. Should you find something not to your liking, please let a club member know so we can change it. Enjoy the show and we hope to see you next year, same place, same time.

Demonstrations

- 11 Carving**
Connie McCartney
- 10 Lapidary Techniques**
Ed Ridge
- 19-20 Metalsmithing**
The Jewelry Connection

- 13-14 Wire Wrap and Lapidary**
Betty Selby-Syslo
- 3 Wire Wrap**
NLytN

◆ Visit the special Diamond Display sponsored by **A.T. Thomas Jewelers!** See all the different colors of diamonds!

◆ LGMC Youth booth! Learn the ABC's of building your own rock collection. Find invertebrate fossils. Junior Gem Dig - find small gemstones! Play the Kerplunk! Game and enjoy other hands-on activities.

◆ Rock Races! See who has the fastest rock!

◆ Nebraska Gem Dig! Hunt the outside pile of rocks for specimens found in Nebraska.

◆ Fluorescent Display – See how some plain-looking rocks light up with ultraviolet light (UV).

◆ Silent Auction – Place your bid on books and specimens; highest bid takes it home!

◆ Talk with members of the Nebraska Archaeological Society about their displays. Learn about Native American history and animals that used to roam the area.

◆ Learn how to make your own arrowheads with our knappers.

◆ Check out our dealers. If you need something for the hobby, it should be here!

◆ Check out the display cases. Above all else, HAVE FUN!!
