### **PRESIDENT'S & SHOW CHAIRMAN'S WELCOME**

by Ed Dvorak, President & Show Chairman

Welcome to the 2016 Lincoln Gem & Mineral Show. Whether this is your first time or you are a regular, we welcome you, and hope you have a wonderful time. We have some very fine dealers and demonstrators that will surely pique your interest. If you would like to further your interest in this hobby, visit our club booth where you can pick up an application to join our club. If you want to get down and dirty, we have a FREE gem and mineral dig (for the young and old) at the entrance of the show. I ask you to do me and our Club a big favor! Show off the gems, minerals, and pretty rocks you find in the Gem Dig, or those you purchase at the Show, to your friends and anyone else who will give you their time. I believe this can increase the interest in our Gem & Mineral Show, Club, and hobby. Without a continuing interest in this hobby, it will slowly begin to be forgotten. Thank you for helping us to not go the way of the dinosaur!

I wish to thank the Show Committee and club members for all their hard work, without which this Show would not be possible. Thank you to all vendors, demonstrators, exhibitors, presenters, and those who donated items, again, without which this Show would not be possible.

Please have a pleasant experience at the show. If you do not, please let someone know at the club booth, so we can change it. Enjoy the show and we hope to see you next year, same place, same time. Turn all your clouds to sunshine and be happy.
