President's Welcome

Welcome to the Lincoln Gem and Mineral Club's 38th Annual Show. You'll find interesting displays, diverse demonstrations and fine merchandise. Our club's members work year round to insure an extravaganza of gems, minerals, and fossils that will appeal to young and old, novice and expert. I thank the entire committee, the members, invited exhibitors, demonstrators, and speakers, and each of you, the show visitors, who make it all possible. Enjoy!

Charles Wooldridge, President

Show Chairman's Welcome

Thank you for attending our 38th Annual Show. We have tried to find something to appeal to everyone's interest. This year we want to take a trip "thru the ages" and show you some ancient Roman gems, some medieval jewelry, and surf the internet to show you the resources that are available for gems, minerals, fossils, museums, and learning more about them.

We will have demonstrators to show you how to shape stones and make jewelry, programs about earth sciences, and dealers with interesting merchandise.

Roger K. Pabian, Chairman

Dedication

This show is dedicated to the memories of committee members, Pam Killion and Ralph Ulrich. Their efforts and persons are sorely missed.
