Lincoln, Nebraska**

President's Welcome

Welcome to the Lincoln Gem and Mineral Club's 39th Annual Show. You will find interesting displays, diverse demonstrations and fine merchandise. Our club's members work year round to ensure an extravaganza of gems, minerals, and fossils that will appeal to young and old, novice and expert. I thank the entire committee, the members, invited exhibitors, demonstrators, and speakers, and each of you, the show visitors, who make it all possible. Enjoy!

Charles Wooldridge, President

Show Chairman's Welcome

On behalf of the Lincoln Gem and Mineral Club I would like to welcome you to our 39th Annual Gem and Mineral Show. We hope you will enjoy the many displays of earth's treasures. Some are formed by nature and others are enhanced by man. The exhibits are done with tender loving care and many hours of work. There are dealers from many states so you may purchase their wares, several demonstrators to show and tell about our hobby, and programs to teach about the gem and mineral field. Enjoy yourself. See you at our 40th show next year.

John Harrison, Chairman

Your Show Committee
