President's Welcome

Welcome to the Lincoln Gem and Mineral Club's 41st Annual Show. We hope that you enjoy the show. We have many outstanding displays, demonstrations, dealers, programs, and fun for you.. Our club's members work year round to ensure an extravaganza of gems, minerals, and fossils that will appeal to young and old, novice and expert. I thank the entire committee, the members, invited exhibitors, demonstrators, and speakers, and each of you, the show visitors, who make it all possible. Enjoy!

Edward Ridge President

Show Chairman's Welcome

On behalf of the Lincoln Gem and Mineral Club I would like to welcome you to our 41st. Annual Gem and Mineral Show. The Mayor has proclaimed this weekend the Gem & Mineral Show Weekend. We hope you will enjoy the many displays of earth's treasures. Some are formed by nature and others are enhanced by man. The exhibits are done with tender loving care and many hours of work. There are dealers from many states so you may purchase their wares, several demonstrators to show and tell about our hobby, and programs to teach about the gem and mineral field. Enjoy yourself. See you at our 42nd show next year.
