Lincoln, Nebraska

President's Welcome

Welcome to the Lincoln Gem and Mineral Club's 52nd Annual Show. We have speakers discussing a wide variety of geological subjects, beautiful displays, educational demonstrations, and don't forget to visit our 14 dealers. Our club's members have worked hard over the past year to bring together gems, minerals, and fossils that will appeal to everyone. My thanks to the committee members who worked diligently to organize this show, the club members, invited exhibitors, demonstrators, speakers, and each of you visitors. Have a great time!

Charles "Wooly" Wooldridge,
LGMC President

Show Chairman's Welcome

Perhaps this is your first visit to a Lincoln Gem and Mineral Club Show, or perhaps it is your 50th. We have enjoyed over a half century of putting on shows and we are looking forward to many more years to come. We have experienced many changes in our hobby, from the kinds of material we collect and turn into finished gems to the changes in technology we use to collect and fashion gems. But most importantly, we have cherished our relationships with all of you who have supported our events over the years. We thank you, our show visitors, for without your support, none of this would have ever been possible.

Charles "Wooly" Wooldridge,
Show Chairman
