## President's Welcome

Welcome to the Lincoln Gem and Mineral Club's 54th Annual Show! Whether you are a first time attendee or a long time regular you are entering a galaxy of gems and minerals ... an out of this world experience. Our club's members have worked diligently to organize a show with gems, minerals, and fossils that are sure to appeal to a wide range of interests. A highlight of the show are the educational programs that are sure to spark your interest to learn more about the world around us all. To everyone, we sincerely hope this will be an enjoyable event. We look forward to seeing you back next year to help us celebrate our Emerald Anniversary.

## Show Chairman's Welcome

Perhaps this is your first visit to a Lincoln Gem and Mineral Club Show, or perhaps it is your 54th. I believe you will be able to find something here at our Show that you will enjoy and make you want to come back again next year. We have enjoyed over half a century of putting on shows and we are looking forward to the next half century. We have experienced many changes in our hobby, from the kinds of material we collect and turn into finished gems to the changes in technology we use to collect and fashion gems. But most importantly, we have cherished our relationships with all of you who have supported our events over these 50 plus years. We thank you, our show visitors, for your support, because without you, none of this would have ever been possible.

**Edward J. Dvorak, Show Chairman**
