VISITOR

18 February 2003

Thanks to the hardy and ~~dear~~ volunteering volunteer displayers that played host to over 107 visitors on a cold day. There were at least four scout groups working on their geology badges plus a surprising amount of others that brought rocks to identify and look and learn. IT WAS GREAT!

Tentative dates for 2004 are:

Geology Day - Sunday, February 15, 1-4 pm

Grinding Party - Sunday, July 18, 1-4 pm

Let me know if these don't work for the Club. Thanks again!

Charity: Karen Thompson
