

I will be retiring from the University of Nebraska Conservation and Survey Division on June 30, 2003, after 35 years of service. My colleagues at CSD will be hosting a reception for the occasion on:

***THURSDAY, JUNE 26, 2003***

***EAST CAMPUS STUDENT UNION,***

***2:00pm to 4:00pm***

I hope that you will be able to share in this activity and stop by for a few refreshments and memories.

Thank you,

**Roger K. Pabian**
