

NYKKY'S WIRE WRAP CLASS

By Sharon Marburger (photos by Jayne Beer and Sharon M.)

The July class was held on the 25th at Hidden Gems. The project was to weave a mushroom pendant. There were about 15 students in this class.

Nykky teaches the basic design and each student puts their own twist on the finished project (no pun intended!).

If you would like to attend one of these classes, Jayne posts them on the Hidden Gems Facebook page, www.facebook.com/profile.php?id=100088599061333. Watch for the next class posting.

Here are five individual takes on the project.
