

OCTOBER ROCK PARTY

By Sharon Marburger

The October Rock Party was hosted by Ed and Pat Dvorak at their Dorchester home on Saturday, October 7 at 3:00 p.m. Always looking for a good rock time, the Marburgers showed up promptly at 3; and others slowly trickled in as the afternoon wore on. I was able to get some good lapidary time, cutting 5 stones while at the party.

Ed and Pat provided hamburger soup, chili, and pie. Some other foods were chips, finger sandwiches, rolls, more pie, apple pudding, and salad. I know I have forgotten some items, but it was all delicious!

After eating, some worked on lapidary and some watched the painful Nebraska football game. Those of us working on lapidary had a great time—I can't say the same for the others.

If you get the chance, try attending a rock party. They are lots of fun and you might just learn something new.
