

Hi You-All....it's August and vacations are in full swing. You can be excused yet this week-end (Aug. 1) but come August 7th and 8th, (even the 6th if possible) you have no excuse but to put in your appearance at our Lincoln Gem & Mineral Club Rock Swap at what was formerly Camp Miniscuya. Anyway, the location is the same as in previous years, 1st & Van Dorn Sts., Lincoln.

Friday evening you may already set up your camper, trailer, tent, or even just a card table to sleep under if you wish....you'all come, hear? Charlie and his staff are looking forward to seeing you.

Camping is free. Water is available. Restrooms too. Registration is 35¢ plus a specimen for the rock auction. Children are free, 12 and under.

On Saturday evening we will hold a potluck supper at 6:30... prepare your favorite dishes, pack up your table service and cloth, and come on out and enjoy a tasty buffet in the open air. Bring your folding tables and chairs for this event...it's much easier to bring our own than if we have to haul those heavy ones. It saves the hearts too...that's important.

Some fine entertainment by a group of young people called the "Hope Singers" is in store for your listening pleasure. Those who have heard this group perform have nothing but good words to say about them and it will be a pleasant way to spend a half-hour in congenial company. And who knows what additional entertainment might be provided???

A watermelon feed will top off the evening...it's that time of year when melons are in their peak of flavor so keep those taste buds open and do justice to Charlie's brand of watermelon.

On Sunday AM enjoy a pancake breakfast at 8:30....you-all know how delicious pancakes have been served up by Howard and Ving in the past...I don't know who is in charge of the pancake turning this year but I'm sure they will again be done to perfection...um ummmm!

The auction is at 10:30 Sunday AM and should be fun and profitable, with the proceeds to go to the Scholarship Fund. Your registration requires one specimen for the auction but bring along extra so we can swell the fund. And then - DON'T BE AFRAID TO SPEND SOME MONEY!!! It has been a bit disappointing in the past (I think) to see how shyly and slowly the bidding rises...is this a way to raise money? Afraid to spend a little? Sure, it's nice to get a bargain but remember the bargain is the scholarship for some lucky person. So get in there and bid!

NEXT LGMC regular meeting Sept. 25th...nominating committee to be elected.
