

Lincoln Gem and Mineral Club, Inc.

P. O. Box 5342

Lincoln, Nebraska 68505

MEETING ANNOUNCEMENT

Don't forget the new summer meetings. The first one will be on June 27th, 7:30 PM, at the Nebraska Center for Continuing Education, 33rd and Holdrege Streets.

There will be a program only. No Business planned. The program will be on trilobites, and will be presented by Roger Pabian. It's the same program that will be presented at the Midwest Show at South Bend, Indiana, in July. Sneak Preview for you.

AFMS SILENT AUCTION

Bring your donations for the AFMS Scholarship Fund Silent Auction to be held at the Midwest Federation Show at Notre Dame University Campus in South Bend, Indiana, July 23-26. Proceeds from the sale of materials will be credited to the scholarship fund percentage for each club. A few good items could help bring LG&MC up another 100%. We are now at 1500%.

ROCK OF THE MONTH

Thundereggs will be the rock of the month. Bring along some thunderegg specimens to the meeting. Display cases will be furnished. We will have some tips on cutting and polishing these items.

See you at the meeting.

Roger Pabian
President
